[the-durham-boat https://durhamhistoricalsociety.org/durham-history/the-durham-boat/](https://durhamhistoricalsociety.org/durham-history/the-durham-boat/) Testimony by some historians via their interviews (History of Bucks County, by W.W.H Davis, 1905 and J.H. Battle, 1887) indicate that the first Durham boat was built by Robert Durham on the river bank near the mouth of the cave at Durham, circa 1730
